

# Absolute Health Services Nurse Aide Training Classes 2011

Federal and state regulations establish training and testing requirements for all nurse aides who work in Medicare/Medicaid certified long term care facilities. The Ohio Department of Health's NATCEP unit is responsible for ensuring that the nurse aide program offered in Ohio meet federal and state requirements.

TRAINING AND COMPETENCY EVALUATION PROGRAM (TCE) is an approved program that complies with the regulations of the Ohio Department of Health. The course fulfills the seventy five (75) hours of classroom and clinical requirements for students to become eligible for taking the state competency exam for state tested nurse aides.
